Handwriting practice area for the letter H. It features a set of three horizontal lines (top, middle, bottom). The first letter 'H' is shown in a light gray font with a black dot at the top left of its left vertical stroke. To its right, there are four black dots positioned on the middle line, serving as starting points for writing additional 'H' characters.

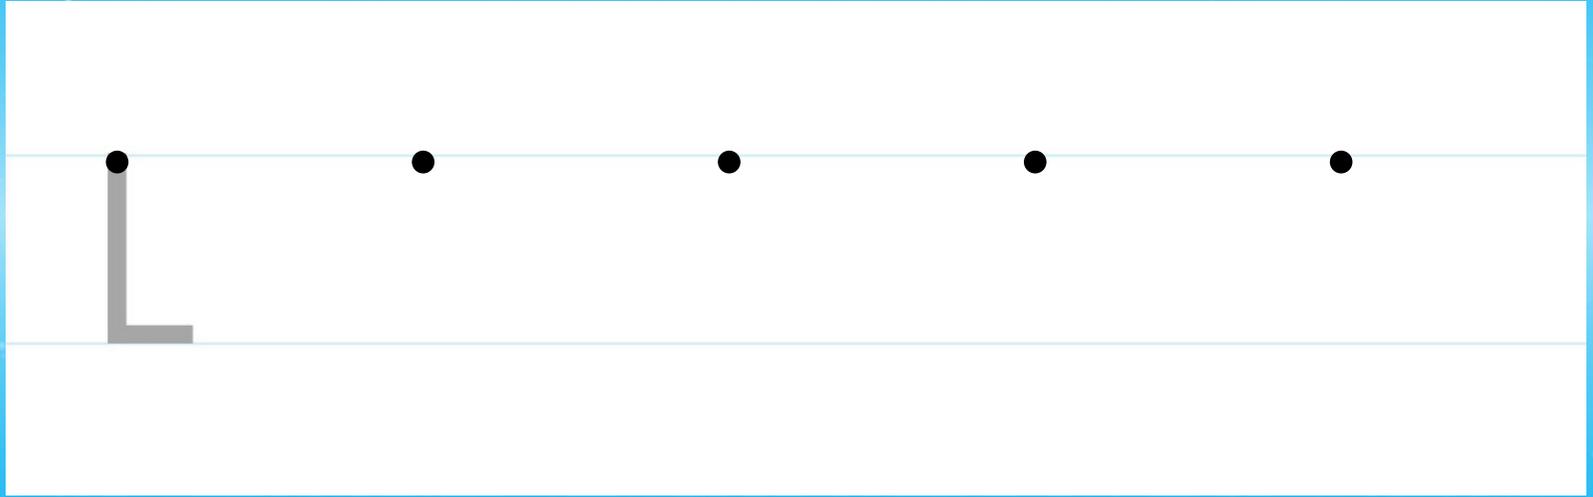

# La famille des lettres droites

Handwriting practice area for the letter I. It features a set of three horizontal lines (top, middle, bottom). The first letter 'I' is shown in a light gray font with a black dot at the top of its vertical stroke. To its right, there are four black dots positioned on the middle line, serving as starting points for writing additional 'I' characters.
